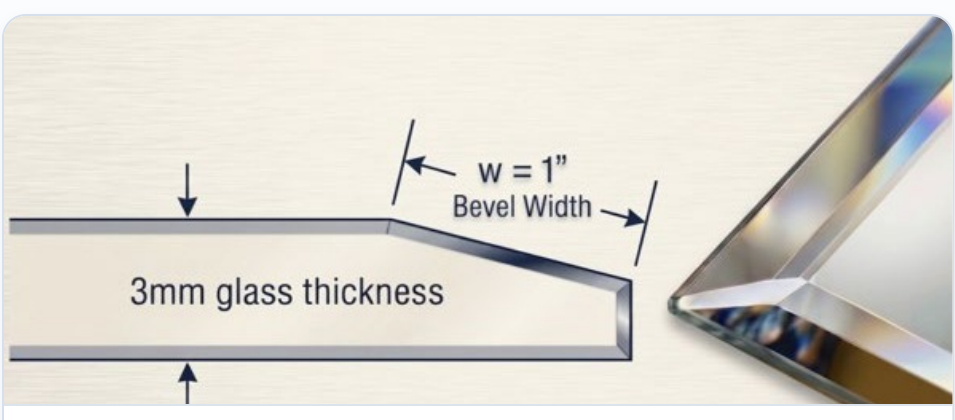
MIRROR EDGE OPTIONS

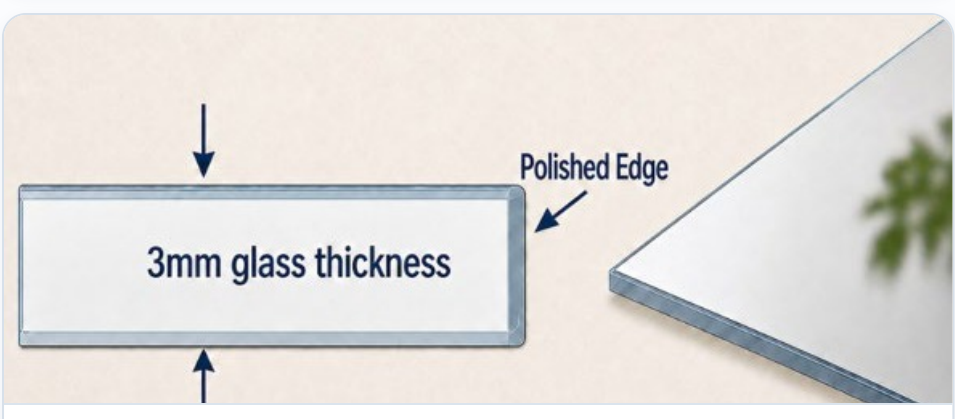
Beveled and polished finishes

Availability note: Polished edges are available in select stores or on HomeDepot.com only.



Beveled edge

- A 1 in. wide bevel creates a timeless, framed effect.
- Made from durable 3mm clear float glass.
- Precisely polished edges provide a safe, smooth finish.
- The beveled surface refracts light to add brilliance.



Polished edge

- Creates a sleek, modern frameless look.
- A clean mirror surface supports a crisp reflection.
- Finished edges provide a comfortable, refined feel.
- Crisp, clean lines complement bedrooms, closets and living spaces.
