

CDM Impact Plus Beveled Edge Mirror Bifold

Not Finished yet

Top Features

- Patented stay-closed hinges prevent rebound for a secure close
- Premium aluminum track system, built for strength and durability
- Pre-hinged panels for easy installation

Highlights

- Smooth, controlled operation, glides easily in a premium top track
- Complete engineered system, designed as an integrated bifold door system that includes panels, track, and installation hardware
- Solid core construction, designed to support the mirror and provide a solid, robust feel
- Heavy gauge aluminum track ensures smooth, quiet operation, complemented by chrome trim for a clean, finished look
- Full-length beveled edge mirrors enhance light and space
- Environmentally friendly, FSC, ULEF, NAF, title VI, CARB compliant
- Precision hardware components provide reliable, long-term performance
- Fits into finished openings 36 in. W x 80 in. H
- Includes two 17-3/4 in. W x 76-3/4 in. H panels for proper clearance
- Adjustable height from 79-1/4 in. to 80-1/2 in. accommodates standard 80 in. openings
- Bifold design opens toward the edge of the opening, providing up to 90% access to closet width
- Includes stainable/paintable hardwood oak saddle
- Bifold doors provide more space in the room vs swing doors
- All hardware and fasteners included

- Tools required: Screw/Drill driver, adjustable wrench
- Optional Jamb Bracket available for special applications (see Bifold Floor Mounting Options in the pictures section)
- One piece aluminum track for a seamless look
- Lifetime warranty on hardware
