WHY CDM

See what sets Custom Door & Mirror apart

TOP FEATURES

Secure closing and easy installation

01

Patented stay-closed hinges

Stay-closed hinges help prevent rebound for a secure close.

02

Premium aluminum track

The track system is built for strength, durability and smooth, controlled operation.

03

Pre-hinged panels

Panels arrive pre-hinged to simplify installation.

PRODUCT HIGHLIGHTS

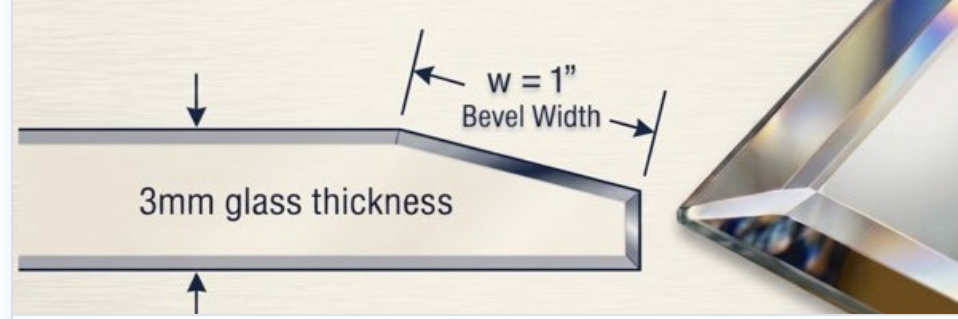

A complete engineered bifold system

- **Smooth operation.** Panels glide easily in a premium top track.
- **Integrated system.** Panels, track and installation hardware are designed to work together.
- **Solid core construction.** Built to support the mirror and provide a solid, robust feel.
- **Heavy-gauge aluminum track.** Supports smooth, quiet operation and is complemented by chrome trim for a clean, finished look.
- **Full-length mirrors.** Mirrors enhance light and the feeling of space.
- **Precision components.** Hardware is designed for reliable, long-term performance.
- **Hardwood oak saddle.** The included saddle can be stained or painted.

MIRROR EDGE OPTIONS

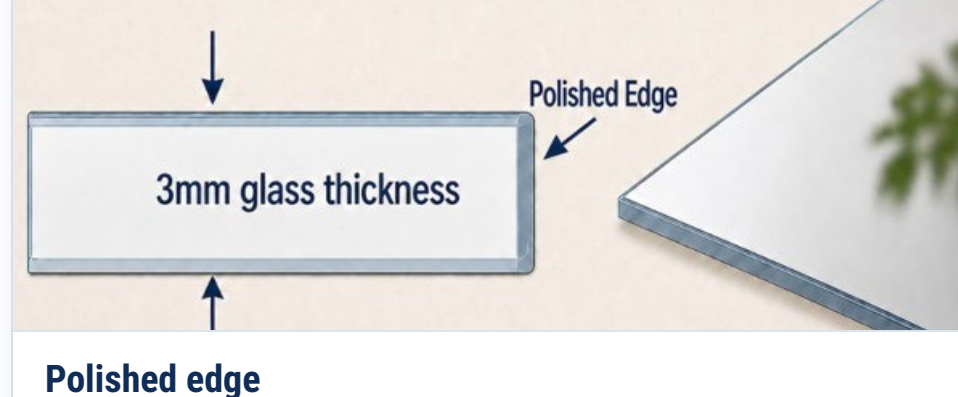

Beveled and polished finishes

Availability note: Polished edges are available in select stores or on HomeDepot.com only.

Beveled edge

- A 1 in. wide bevel creates a timeless, framed effect.
- Made from durable 3mm clear float glass.
- Precisely polished edges provide a safe, smooth finish.
- The beveled surface refracts light to add brilliance.

Polished edge

- Creates a sleek, modern frameless look.
- A clean mirror surface supports a crisp reflection.
- Finished edges provide a comfortable, refined feel.
- Crisp, clean lines complement bedrooms, closets and living spaces.

FIT AND SIZING

Options for standard 80 in. openings

Panels are 76-3/4 in. high for proper clearance. Adjustable height from 79-1/4 in. to 80-1/2 in. accommodates standard 80 in. openings.

2-panel configurations

For 24", 30" and 36" finished openings.

24" x 80"	2 panels Each panel: 11-3/4" W x 76-3/4" H
30" x 80"	2 panels Each panel: 14-3/4" W x 76-3/4" H
36" x 80"	2 panels Each panel: 17-3/4" W x 76-3/4" H

4-panel configurations

For 48", 60" and 72" finished openings.

48" x 80"	4 panels Each panel: 11-3/4" W x 76-3/4" H
60" x 80"	4 panels Each panel: 14-3/4" W x 76-3/4" H
72" x 80"	4 panels Each panel: 17-3/4" W x 76-3/4" H

ACCESS AND INSTALLATION

Designed for practical everyday use

Up to 90% closet access

- The bifold design opens toward the edge of the opening.
- Provides more usable room space than traditional swing doors.

Installation essentials

- All hardware and fasteners are included.
- Tools required: Screw/Drill driver and adjustable wrench.
- One-piece aluminum track provides a seamless look.

Special applications and warranty

- An optional jamb bracket is available for special applications; see the Bifold Floor Mounting Options in the product pictures.
- Lifetime warranty on hardware.
